#### MEDICARE NOTICE FOR CROSSING BACK TO HEALTH

Crossing back to Health is a specialized practice in a personal office setting. In order to spend more time with our patients and to decrease complexity and administrative cost, we do not have any insurance/third party billing services.

This letter is to make sure our Medicare patients are aware that Crossing Back to Health does not contract with Medicare. We will still be offering you our medical services, but it will be outside of the Medicare payment system. You will be asked to pay us directly for our services as we do with our non-Medicare patients. Due to Medicare regulations, you will receive no reimbursement from Medicare/the Federal Government/secondary insurance for our services.

You will be given a superbill for our services which may be used for tax purposes, but it cannot be sent to Medicare OR your secondary insurance for reimbursement.
